IND YOUR VOICE, SHARE YOUR MESSAGE & CHANGE THE WORLD

"Life is a gift, and it offers us the privilege, opportunity and responsibility to give something back by becoming more." – Anthony Robbins

Hello Friend! Welcome to your private coaching program! Every woman has a story. This one-on-one coaching is where you can bring your story to be heard, honored and acknowledged. I'm committed to helping you further develop your life to one that you value, cherish and own with pride.

I'm thrilled that you've decided to get crystal clear on your purpose so you can create something new and beautiful for yourself and others in the world. If that means achieving financial freedom, or developing products or services, starting or growing a business, improving your relationships and confidently serving those you're meant to impact, that's what success coaching with me is all about.

No powerful story is free of challenges. I expect your story to include battles and victories. Since it's time for a change in your life, and it's time to break through the unnecessary burdens, and to overcome the obstacles that entangle you and keep you from living your purpose, I welcome you.

You are not only about to turn your story, your passions and expertise into amazing offerings that deliver massive success... You are about to step into your destiny in a brand new way.

I am here to assist you in the success process so that you will **thrive** in life and business, so you're able to ultimately experience joy in a way its meant for you!!!

I am honored to journey with you and anticipate a glorious experience in the continuation of your Story.

To aid our purpose, please complete the information on your royal heritage...

Much love,
Pachi

YOUR GOALS- A FIRST LOOK

What are your reasons for wanting to receive coaching?

What is your why? Be specific.

What are your specific **goals** for this program and for taking your life and business to the next level? What specifically?

What specifically do you want to **accomplish** by the end of this program?

What has kept you from accomplishing these goals in **the past**?

Be specific.

Describe your relationship with your **mother**:

Describe your relationship with your **father**:

Describe your family's blueprint around money – their thoughts, **beliefs**, habits, and mentality around it.

Describe your **own** relationship with money.

What is your **money** story?

How **committed** are you to achieving and completing your stated goals? How many hours a week will you dedicate to it? Be specific.

What are you **willing** to change about yourself or your business to accomplish your goals? Be specific.

What other personal and business development work have you done? Please list all programs, seminars, teachers, mentors, healers, coaches, books, etc. that have been part of your development:

Which of these programs have been the **most helpful** for you and why?

Which of these programs have been the **least helpful** for you and why?

What is going to be the most difficult part, or biggest **obstacle** to success for you?
What can you do to overcome these obstacles? Be specific.

What are YOUR **strengths and weaknesses?** Be specific.

If you could **change** three things in your life or business, what would they be?

GETTING DOWN TO BUSINESS

What is your current profession or business? Do you own a business? If in business, how long? What is the current **status** of your business? Ex: well-developed, profitable and so forth.

If you want to **start a business**, what kind of business would you like to develop?
If in business, what is your vision for your business? Be specific.

Do you have an idea of what do you want develop? (1:1 programs, group coaching, retreats, intensives, etc.) Describe them

What are the strengths and weaknesses of YOUR BUSINESS (or business idea)? Be specific.

In terms of being organized and having a clear physical space for your business, how on top of that are you? Do you have a maintainable filing system?

Who is your target market- meaning the people you ideally want to work with and serve? Narrow it down as much as you can.

Which marketing channels are you currently using, and/or what have you used in the past? (i.e. Google Ad words, affiliate marketing, etc.) Which have been most successful for you?

What is your advertising budget? (total or per month, per day, approximation is fine)

What is your target market's biggest problem, wound or frustration?

What products or services can you offer to heal your target market's wound or solve their problem? Be specific

What return on investment are you committed to creating for yourself, and by when? *(all investments have a positive return if they are true investments. What profit amount do you need to make in order for this to be a “good investment” for you?)*
